Assignment 1 Part 1:
You will be given a string of numbers, which you are to interpret as a picture. 0 is white and 1 is black. Draw the image in the grid below and turn in this page.

Name: ____________________________
Assignment 1 Part 2:
Create your own picture and represent it with a string of numbers. Send an email to marty@ucls.uchicago.edu that contains the image’s dimensions and then the string of numbers. Attached are a couple of blank grids that you might find helpful.

This must be emailed by 11:59 p.m. on Sunday.
